LOCAL BREVITIES.

We are having regular Southeast Missouri winter-time: ram, snow, sleet and slush. We were to previous: it froze up tighter

than "Dick's hat-band" last night. The Vulcan Works matter is still in abeyance, but Judge Treat will probably give his decision to-day. "Sunbeam" is the significant name of the

new lodge, K. & L. of H., organized last Wednesday night. Friday is review at the public school. Patrons are urged to be present. It is their

duty, and one they should not neglect. The mortality among the porkers has been very great during the past week, and sausage-and-buckwheat feasts do now pre-

We learn that Geo. P. Blomeyer, late of this station, goes this week to Charleston on for them. Of these dozen trees all, save two, a fortnight's job-relieving the agent there,

who is off for the holidays. remains of it-looks like a heap of ancient en times-and once almost entirely denuded ruins from afar. Now couldn't the pile be of bark-by horses hitched or left standing answer as an antiquitous curio in the interest of summer tourists?

Mr. Molyneaux, now with the Chicago Comedy Company, has greatly improved since his last winter's appearance; and if he will be careful to not "look upon the wine actor of no ordinary merit.

See the advertisement of the Arcadia Val-

The charter of the new lodge of Knights and Ladies of Honor has been ordered kept double harness and knocking the runningopen till Friday night of this week, and dur-ing this time any acceptable person may be come a member at charter rates, which are spring will again spread forth its tender much lower than will be charged after the charter has been closed.

The W. F. M. S. of the M. E. Church will hold a public meeting in the church on Wednesday evening, Dec. 17th, commencing at 7 o'clock. The exercises will consist of Reading, Recitations, and Music. Report from mite-chests will be read and collection taken. All are invited to attend.

About sixty men were discharged at Iron Mountain last week. A great deal of mining there is done by hydraulies, and in winter this part of the work is necessarily shut down. In flush times the discharging of the comparatively small force engaged in that department is not noticed, but this year, when labor is plentiful and work scarce, it Jewelry.

eounts. Bro. Hotson desires us to inform the publie that he has secured the services of a firstclass barber-a no less personage, by the way, than our old acquaintance, Monsieur sented to organize the above general assemde Ramy, Esq.-and customers can now rely bly. Thursday night of this week, another upon getting a good shave or hair-cut at his attempt will be made to organize. Let every tonsorial establishment. Everything neat man be faithful to his constituents by being and clean, with only the minimum of "chin" present. 7:30 o'clock at the Herald office, is

Just think of it! A lady in this town who contemplates visiting New Orleans within a short time, has received a letter from a relative who urges her to come as soon after the Holidays as possible, for the oranges are about ready for picking, and roses in full bloom. If we were a Vanderbilt or a Jay Gould, no northern climate could hold us in its cold embrace; we'd hie us away to the land of sunshine and flowers, Exposition or no Exposition.

Owing to the prevalance of coughs and colds, the teacher of the Primary Department, herself suffering from a cold and sore throat, and using hoarhound candy as a Carbondale, taking invoice of stock in the palliative and curative, last Thursday gave company store at that place. the children permission to do likewise during It has been very cold and disagreeable for school hours, providing they were similarly the past week, so as that everybody that was mill-wrights and carders to investigate the afflicted and brought notes from their parents not working hugged the stove pretty genattesting to the fact. We think there were erally. It happened that the stoves in the fine water-power alluded to above. not less than sixty requests for "notes" bar-rooms were always patronized the most;

that evening. Christmas Ball on the night of the 24th. The He goes and gets a lot of small paper sacks managers are making extensive preparations (such as grocers do up tea, sugar and coffee and will without doubt make it very agree- in), sufficient in number for him to take in able to all who desire to dance out the Eve all the bar-rooms. He then puts a small bit into the Christmas morn. The ball will be of gunpowder in the corner and fills up with by a more judicious breeding of a better class Painting. given in the spacious Workmen's Hall, and dry sand, so it looks to be about a pound of stock than is now to be found here. the room be decorated in accordance with package of powder. He then comes in and old-time usage. The admission "for lady finds it nearly immpossible to get near the needs is the much-talked of and long-expectand gentleman" is only 75 cents, so no one heater, but after while he succeeds in crowd- ed railroad to take to market the products of need stay away under the plea of "hard ing to the front of the stove. He then acts the iron banks and pine forests so numerous

week. The audiences were not large, owing contains the powder and sprinkles it over solely to the prevailing hard times and the stove. He then has all the old cronic branches were excellent and deserved gentrous patronage, while the band and orchestrate are not excelled by any on the road. We sy these things after the departure of the impany simply because the praise is derived, and we have no doubt Messrs. Graves of Kempton, the proprietors, will achieve ancial success in other more favored refor the wood-butcher.

In the pertropage of the pertropage in the store door, and flings the whole package into the glowing fire! Ge whizz! you ought to have glowing fire! The old joker then pulls up a chair and seats himself and, smiling, says "Oh ya! She won't let me in, but didn't be total relieved her very much, and the second bottle has absolutely cured her. She has not had so good health for thirty years."

It was only a link broken, and three cars for the wood-butcher. scarcity of money in this section. The per- loafers' eyes fixed on him, when he makes a formances were excellent and deserved gen- grand flourish, stoops down, opens the stove erous patronage, while the band and orches- door, and flings the whole package into the tra are not excelled by any on the road. We glowing fire! Ge whizz! you ought to have say these things after the departure of the seen the stampede! The old joker then pulls company simply because the praise is de- up a chair and seats himself and, smiling, served, and we have no doubt Messrs. Graves says "Oh ya! She won't let me in, but didn't and Kempton, the proprietors, will schieve I get thar Eli?"

We have not heard that any of Ironton's citizens intend going to Washington next March to see President Cleveland inaugurawere several persons in the Valley who would | Baker. have attended. In fact, 'tis by no means improbable that, having had their "megs all pleasure-trip conditioned on the result of an election is more uncertain than a chance in a festival grab-bag-and the usual disap-

pointment much more grievous. Dr. Lee H. Dowling, Deputy Supreme Protector, Knights and Ladies of Honor, instituted a lodge of that order in Ironton on Wednesday evening, Dec. 10th, and the fol-Texas Express, No. 603,.........12:19 A. M.
